---

Brown Bagger's door remains open Mon - Sat at 12pm and Sun at 1pm.

Baggers are taking turns disinfecting:

Floors, tables, chairs, counter tops, railings, handles, switches, faucets, books, the donation basket, the pink can, the coin box and the bathroom before each meeting.

Individually wrapped snacks are being provided and paper cups for coffee.

At times, our alley door misbehaves and locks itself during meeting times. No, it isn't a sign you shouldn't be there... Knock with some muscle and someone will run up to get you in!

Thank you to all the anonymous alcoholics for your courage and thoughtfulness while our recovery community adapts to this new adventure!

Fearlessly,

Brown Baggers Group

824 Cooper Ave, Glenwood Springs, CO 81601
