**Subject:** [Current\_roster] March 20-22 Spring Assembly Canceled Due to COVID-19

Hello Area 10,

[DCMs, Please be sure to forward this on to GSRs in your Districts]

After much deliberation and conversation with members, and in the spirit of our first tradition and common welfare, the March 20-22<sup>nd</sup> spring assembly has been canceled.

Scott, our Area 10 Delegate, will be in touch shortly regarding alternative electronic means to gather your input around the general service conference agenda items.

The Area Officers will be calling all of our DCMs to ensure the word gets out to all of Area 10.

We have met with the DoubleTree by Hilton Colorado Springs and were given the option to cancel without penalty.

The DoubleTree by Hilton Colorado Springs will cancel any individual guest room reservations in our room block, but of course be sure to contact the hotel directly regarding your reservation.

On a related note, the Corrections Committee is looking at rescheduling the Corrections Conference. Dave, our Area 10 Corrections Standing Committee Chair, will be back in touch with you all soon.

To my knowledge this is the first time we've had to cancel an area assembly. I've learned so much this week and am profoundly moved by the enormity of the spiritual responsibility around delegated authority. I will never forget this experience.

Please feel free to reach out to me or any of our Area Officers with any questions, thoughts or concerns.

Do take good care and know our thoughts are with you.

Regards,  
Sarah

~Sarah Mikkelsen  
Area 10 Chair
