Dear Western Slope AA,

Jingle bell time is a swell time (sober). I hope you all had a Merry Christmas. What a blessing to experience that season sober and without a lot of drama that was created by me. I get to remember and savor the special moments of the holiday without looking for clues as to what might have happened. Happy New Year to all. I don't think of it as a new year of sobriety. I don't celebrate my sobriety in advance. But, I do get 365 opportunities in 24 hour increments to practice the 12 Steps contained in the Big Book as was explained to me by my sponsor. If I do that, it should be a good year. If you want to get involved in the Western Slope Intergroup, give them a call at (970) 245-9649. It is 12th Step work at its finest.

Yours in service, Doug T Intergroup Chair

There are **COLORDAZE** 35th Annual T-shirts here at Central Office. 4-L ,3-M, and 13 X-L.

Thank You All for Your  
Support All Year Long !!!

Why did Frosty the snowman  
want a divorce?  
Because he thought his wife  
was a flake.

George L has 50 Years of sobriety, not 49 as was printed in the last Newsletter. George and I have a love, hate relationship! For some reason I love George so much that I always get his sobriety date wrong or don't even bother to put it in the Newsletter at all. Then I end up hating myself for the mess up. And George has such love and tolerance with me. So I guess the moral of the story is George got 50 years by walking the walk and talking the talk, practicing our code of Alcoholics Anonymous.

That is LOVE & TOLERANCE

Thank You George!!! Love Teresa

Why was the snowman sad?  
Cause he had a meltdown.

### Step 1

We admitted we were powerless over alcohol - that our lives have become unmanageable

### Tradition 2

For our group purpose there is but one ultimate authority-a loving God as He May express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
